The EAEU and SDGs

• Regional economic integration contributes to SDGs achievement within the Union and becomes an additional tool to support high-quality and sustainable growth in the Member States.

• Goals and directions of the EAEU economic development largely coincide with the goals and objectives of the Agenda for Sustainable Development.

Subregional integration – key element of the EAEU sustainable development via realization of the UN SDGs and targets

EAEU contributes to the development of the LDCs by granting tariff preferences to the goods originating from them (Art. 36, EAEU Treaty)

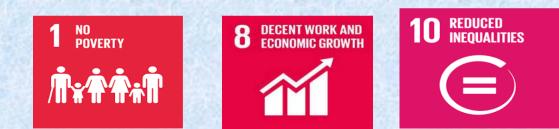

Free movement of labour for all categories of workers

Pension Agreement for workers will provide equal rights for the EAEU citizens

Recognition of diplomas and other documents on education/qualifications

Common Financial Market and Free movement of capital

Coordinated Macroeconomic Policy among the EAEU Member States

Main Macroeconomic Indicators (January-July, 2019):

- GDP growth 2,5% - Armenia (5,2%); Belarus (3,0%); Kazakhstan (4,1%); Kyrgyzstan (3,5%), Russian Federation (2,3%)- Foreign trade growth – 18,8% - Mutual trade growth – 10,1%

EAEU: created common market for medicines and medial devices

Free Emergency Medical Aid for citizens of the EAEU is provided

Coordinated (Agreed) agricultural policy in the EAEU

EAEU: common electricity market and common gas, oil/oil products markets established by 2019 and 2025

EAEU: Technical regulations, sanitary, veterinary-sanitary and phytosanitary quarantine measures

EAEU: Industrial Policy Coordination – ICT, Biotechnologies, High-Tech products production, Investments

Agreed (Coordinated) Transport Policy

EAEU further developments:

- 2018: New Customs Code
 2019: Common electricity market
 2020: Common market for excisable goods
 2025: Common oil and oil products market
 - Common financial market
 - Common gas market
 - Common market for transport services

By uniting our efforts in Eurasia we make the world a better place!

THANK YOU!
